AKIYAMA SERIES – JPRINT

ZM AKIYAMA 1+1 & 2+2 Colour Printing Machine

The Akiyama JPrint is a game-changer in sheetfed offset printing - delivering both sides of the sheet printed in a single pass with no reversing, no restacking. Ideal for efficient two-side printing , Akiyama tandem Perfectors deliver consistent colour registration and stable output quality with 1+1 and 2+2 colour printing options. It is available in two sizes JPrint 40 (720 × 1030 mm) and JPrint 44 (820 x 1120 mm). Its upper & lower unit design solves the challenges of traditional Perfecting presses, ensuring flawless sharp and vibrant results every time. From lightweight stock to complex jobs, the JPrint saves time, reduces waste, and produces a flawless finish — sheet after sheet. JPRINT has a unique proposition of printing Thin Bible Paper – 28 gsm and it can print as high as 200 gsm card.
